- 2 > **You want to live in your living room.** Your protection plan will put your mind at ease so you can enjoy your children and your guests.
- 3 > **You own one or more of the following: pens, popsicles or pets.** MFS protection plans cover accidental stains or damage caused by ink, food and beverages and pet bodily fluids – refer to your plan for specific coverage details.
- 4 > **You think slipcovers are tacky.** Our stain and damage coverage is so great that you can trash that slipcover in favor of a new lamp or area rug to accessorize your new furniture.
- 5 > **You like being able to get help when you need it.** Our furniture experts offer live, fast and friendly service when you need help with a problem covered by your protection plan. You also can file claims online or via e-mail.

- 9 > **You realize that you're not a spot and stain removal expert.** The MFS customer service center experts will offer you products, tips and support for taking care of many accidents yourself.
- 10 > **You like the security of knowing your furniture will be replaced** if our experts are not able to take care of your covered accident. *No worries, no problem.*
